Maybe you should look into getting a foursome together on The Imagination Network. INN's 3-D Golf is new with version 2.3. It's the most fun you can have without having to replace divots. You can sign-up for 2.3 in The INN Mall, or call 1-800-IMAGIN-1 for details.

## Bridge Club News

Every year, four open teams and four women's teams are chosen to compete for the right to represent the United States at the world bridge championships. One of the qualifying events for each team type was just played at the Spring Nationals in Cincinnati. The open division (the Vanderbilt) was won by a team with an ImagiNation Network member on it. The top three women's teams all had at least one INN member on them.

The Vanderbilt was won by one International Match Point, as narrow as the margin can be. We at INN would like to think practicing for the Vanderbilt easily was worth two or three IMPs to the winning INN members, but we're biased. Congratulations to all INN members who did well in Cincinnati, and good luck in the team trials.

## VALENTINE

PENELOPE

Most Humorous - JeffGC

*Is this the hour? Can our sweet queen end finally this waiting, listening for the sound of her king's foot fall. Her weaving is a symphony never complete, as Mays become next year's springs.*

*What happens at day's end? Will she feel the same? Or will the tapestry be unraveled again? She, dreads being unfaithful, forced to name the man she will marry, oh which of the men?*

*Will this be the day her dreams are spawning? This could be the day of ending of fears, bringing new life, or just another dawning day of her sewing and toil, blood, sweat, and tears?*

*Oh why is this queen so true and so chaste? Answer: It's the chastity belt on her waist.*

The ImagiNation Network is pleased to announce the winners of the Valentine Poetry Contest. Over the weekend preceding Valentine's Day, participating members were asked to fill in the blanks of a sonnet.

Winners were chosen for each of four categories: Most Humorous, Best Fill-In, Best Original, and Most Buffylike. Congratulations to all of the winners whose submissions are printed here for your enjoyment.

# NEVER WALK ALONE

## POETRY CONTEST WINNERS

## PENELOPE

Best Fill-In - Wisteria

*Is this the hour? Oh leave to memory  
this waiting, listening for his belated  
footfall. Her sighs become a symphony  
of longing, as Mays become long faded.*

*Will she yet abide? Will she feel the same?  
Or will the tapestry be hung at last?  
She, with the final stitch sewn, forced to name  
her love's usurper, and forget the past?*

*Will this be the long awaited morning?  
That brings heart's relief and ending of fears,  
will it be, or just another dawning  
day of memory, tapestry and tears?*

*Penelope, your steadfast heart so true  
is beckoning your hero home to you.*

## PENELOPE'S PLAINT

Best Original - Rawlkt

*Another day, another suitor woos —  
so many men wait to woo at my door  
that it would seem a simple thing to choose  
which man I could most easily soon adore.*

*Yet I own not that freedom borne of choice,  
To embrace one and turn the rest away;  
For by faithful hope may I yet rejoice  
to see Odysseus return one day.*

*These selfish kings will woo me for my gold,  
And make vain promises that ring untrue,  
but one man will my heart forever hold —  
my Odysseus, I will wait for you.*

*Thus must I spin my tapestry of lies,  
To scan the seas with my sad lover's eyes.*

## PENELOPE

Most Buffylike - Gootch

*Is this the hour? He'll come and end for me,  
this waiting, listening for remembered,  
foot fall. Or endless as a symphony,  
plods onward, as Mays become December.*

*Does her love await? Will she feel the same?  
Or will the tapestry be completed?  
She, her staffing ended, forced to name,  
a kingly suitor. Am I defeated?*

*Will this be the final wished-for morning,  
Joyously bringing an ending of fears,  
Odysseus? Or just another dawning,  
day of weary weaving, deception, and tears?*

*My love and I are like the tapestry,  
Our lives come unraveled too easily.*

karaoke. In between these fashions and harmonic delights, members were free to "room-hop" to a number of theme rooms.

The daytime on Saturday was left open

There was no place for dry humor during Saturday's water-gun battle

for members to visit the nearby Yosemite or Sequoia National Parks, for guild, squad, and special interest meetings, shopping in the local malls, spending time with new-found friends or resting up for the big night ahead.

After a delicious prime rib dinner, Ken Williams, Sierra On-Line President and member of the ImagNation Network's Board of Directors, spoke for about an hour. His illuminating speech covered topics from his original dreams of The Sierra

Network to the future of ImagNation. His philosophy? There is no game played that wouldn't be better played on INN.

"In the next six months, you will see more improvements to INN than we've seen in the last two years. We are pioneering things that have never been done before." Titles such as Outpost, Football, and Battledrone were mentioned. It's no wonder ImagNation is truly the premier on-line entertainment network.

A Costume Ball followed Ken's inspiring keynote address.

Very special thanks to Shelley Covalcine (Laughter), Ginger Reinhardt (Lyric) and Frank Shears (FrankDS) for the months of planning and work that made this the biggest and best INN gathering ever!

Can it be topped? Are there bigger and better events in store for our lucky members? With an ImagNation like ours, the possibilities are limitless.
